Virtual Geography - McKenzie Wark
1994-11-22

"The author's capacity to grasp and interpret these [world media] events is astounding, and her ability to provide insights into a world where unbounded information is circling the earth with the speed of light is startling." -- Choice "... a

wide-ranging, quirky and dextrous mix of description, theory and analysis, that documents the perils of the global telecommunications network... " -- Times Literary Supplement "... this is a stimulating, even moving, book, dense with ideas and with many quotable lines." -- The New Statesman "Wark is one of the most original and

interesting cultural critics writing today." -- Lawrence Grossberg McKenzie Wark writes about the experience of everyday life under the impact of increasingly global media vectors. We no longer have roots, we have aeriels. We no longer have origins, we have terminals.

Speculator - John Hunt 2016-09-27

"Halfway between Frederick Forsyth's Dogs of War and Ayn Rand's Fountainhead. The gold mine in the jungle, the mercenaries, and the child soldiers keep you turning the pages. A morality tale with modern twists." -John Mackey (Founder, Whole Foods Market and author of Conscious Capitalism) The greatest gold discovery in history draws a young Charles Knight to West Africa, where he unearths deception, violence, and romance. Xander Winn-a Dutchman on his own mission-mentors Charles on his voyage into the world of speculation and African politics. But a psychopathic rebel leader, the purveyors of a six-billion-dollar fraud, a team of mercenaries bent on early retirement, and the

US government all get in his way. Everyone wants him dead. But Charles plans to strike it rich. ADVANCE PRAISE FOR SPECULATOR "Speculator uses the cover of a thrilling tale of international intrigue to provide an economic and moral defense of the much-maligned speculator and an economic and moral condemnation of those who profit via force and fraud. Doug Casey and John Hunt have provided an invaluable service to those looking for unique ways to spread the ideas of liberty." -Dr. Ron Paul "Speculator may prove to be the first in a new genre of fiction. Give this book to all your friends and enemies." -John Hart (Author of Redemption Road) "Adventure... intrigue... philosophy... politics... you'll find it all in this fast-paced novel from Doug Casey and John Hunt. Most important, you'll find thoughts - the kind of thoughts that will make you think too." - Bill Bonner (Author of Empire of Debt and Mobs, Messiahs, and Markets) "Speculator will keep you thinking long past the conclusion and for

years to come."-Robert Ringer (Author of Looking Out for #1 and Winning Through Intimidation) "Speculator is a roller-coaster lesson on the arcane world of gold-mine investing. An African revolution, massive fraud with massive profits and losses-the novel is such fun you don't notice how much you are learning. But, mostly, it is a good read with a unique protagonist." -Wendy McElroy (Author of Liberty for Women) "Move over John Galt and Humphrey Bogart, Speculator has created an old-fashioned hero with contemporary style and sex appeal. Expert cicerones lead us through the dark world of African mining and international finance. It is a riveting tale, perfect for a day at the beach or a long-winter's-night read. Pure gold." -Richard Harteis (Author of Marathon and Publishing Director of Poets-Choice.com) "Passionately pointed and provocative."-David Brin (Author of Earth and The Postman) "Speculator combines the fast-paced action of a Dirk Pitt adventure story with the cerebral message of an Ayn Rand

novel. The authors' knowledge of how markets, mining, and governments work is impressive, yet the book reads like a day at the beach. Crisp, intelligent, and witty, this new adventure series might even out-Rand Rand." -Jo Ann Skousen (Professor of English Literature, Chapman University)

Transformation of the Electric Utility

Business Model - John Manshreck 2021-11-22

This book examines business model transformation through the study of electrical utilities, an industry at the center of today's efforts to combat climate change. When change comes to the business model of such a mature industry, the pattern is often recognizable. The foundational elements of the industry shift, allowing the innovation of business models by new competitors, while established firms face the threat of disruption. The utility sector, after decades of relative stability, is in the midst of such a transformation today. After providing a historical summary of the dominant business models of the utility sector, Transformation of the Electric Utility Business Model looks at the factors currently impacting the industry. Utilities and policy makers today are facing two long-term issues that will dominate their agendas in the coming decades: rebuilding utility infrastructure to enable the decarbonization of the economy, and managing the risk of

catastrophic events that can leave large areas without power for extended periods. Fortunately, with proper planning, many utility investments in decarbonization will also support risk management. However, these investments are often not compatible with current utility business models, requiring creativity and new regulatory frameworks to successfully implement. This book considers the impact of these factors, and then discusses the future. This well-researched, extremely insightful book is essential reading for all those with an interest in business strategy, energy studies and sustainability.

Visser (Animorphs) - K. A. Applegate
2018-03-27

Her human name is Eva. There was a time when she had a loving husband and a son, Marco. When she had a wonderful career. But that was before she was infested by Edriss 562. Before the invasion of Earth. Now, Edriss 562 lives in Eva's head and controls her every movement.

And through Eva, Edriss has become the highest-ranking general in the Yeerk empire, surpassing even her arch rival, Visser Three. She is Visser One. But it has become known that Visser One's tactics for attaining her current position were less than acceptable -- even to the Yeerks. Now she's on trial for treason. If she's found innocent she'll continue to rule. But if she's found guilty, she'll lose her life -- and possibly the life of her host, Eva. Which will mean that Marco will never, ever see his mother again...

[Brief Cases](#) - Jim Butcher 2019-06-04

An all-new Dresden Files story headlines this urban fantasy short story collection starring the Windy City's favorite wizard. The world of Harry Dresden, Chicago's only professional wizard, is rife with intrigue—and creatures of all supernatural stripes. And you'll make their intimate acquaintance as Harry delves into the dark side of truth, justice, and the American way in this must-have short story collection. From

the Wild West to the bleachers at Wrigley Field, humans, zombies, incubi, and even fey royalty appear, ready to blur the line between friend and foe. In the never-before-published "Zoo Day," Harry treads new ground as a dad, while fan-favorite characters Molly Carpenter, his onetime apprentice, White Council Warden Anastasia Luccio, and even Bigfoot stalk through the pages of more classic tales. With twelve stories in all, Brief Cases offers both longtime fans and first-time readers tantalizing glimpses into Harry's funny, gritty, and unforgettable realm, whetting their appetites for more to come from the wizard with a heart of gold. The collection includes: • "Curses," from Naked City, edited by Ellen Datlow • "AAAA Wizardry," from the Dresden Files RPG • "Even Hand," from Dark and Stormy Knights, edited by P. N. Elrod • "B is for Bigfoot," from Under My Hat: Tales from the Cauldron, edited by Jonathan Strahan. Republished in Working for Bigfoot. • "I was a Teenage Bigfoot," from Blood Lite III: Aftertaste,

Power, Conflict and Criminalisation - Phil Scraton 2007-10-22

A unique, accessible text that introduces a broad readership to critical research into 'crime', 'deviance' and conflict through contemporary, in-depth case studies. Tracing the authoritarian legacy of policing civil disturbances, harsh regimes of punishment, deaths in custody and

prison protest, diverse issues such as the demonisation of children, the imprisonment of women and the 'war on terror' are explored and analysed.

Dead Lies Dreaming - Charles Stross 2020-10-27

When magic and superpowers emerge in the masses, Wendy Deere is contracted by the government to bag and snag supervillains in Hugo Award-winning author Charles Stross' *Dead Lies Dreaming: A Laundry Files Novel*. As Wendy hunts down Imp—the cyberpunk head of a band calling themselves “The Lost Boys”— she is dragged into the schemes of louche billionaire Rupert de Montfort Bigge. Rupert has discovered that the sole surviving copy of the long-lost concordance to the one true Necronomicon is up for underground auction in London. He hires Imp’s sister, Eve, to procure it by any means necessary, and in the process, he encounters Wendy Deere. In a tale of corruption, assassination, thievery, and magic, Wendy Deere must navigate rotting mansions that lead to

distant pasts, evil tycoons, corrupt government officials, lethal curses, and her own moral qualms in order to make it out of this chase alive. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sexus (Harper Perennial Modern Classics) - Henry Miller 2012-02-20

The extraordinarily candid tale of Miller's sexual escapades amongst the low-life of Brooklyn, banned in Great Britain and America for nearly twenty years after its first publication in 1949.

Cold Days - Jim Butcher 2013-09-03

After a brief interlude in the afterlife, Harry Dresden's new job makes him wonder if death was really all that bad in this novel in the #1 New York Times bestselling series. Harry Dresden is no longer Chicago's only professional wizard. Now, he's Winter Knight to Mab, the Queen of Air and Darkness. Her word is his command. And her first command is the seemingly impossible: kill an immortal. Worse

still, there is a growing threat to an unfathomable source of magic that could mean the deaths of millions. Beset by enemies new and old, Harry must gather his friends and allies, prevent an apocalypse, and find a way out of his eternal subservience before his newfound infinite powers claim the only thing he has left to call his own... His soul.

Magic Slays - Ilona Andrews 2011-05-31

In this novel in the #1 New York Times bestselling urban fantasy series, war-plagued Atlanta has never been so deadly... Good thing Kate Daniels is on the job. Kate Daniels may have quit the Order of Knights of Merciful Aid, but she's still knee-deep in paranormal problems. Or she would be if she could get someone to hire her. Starting her own business has been more challenging than she thought it would be—now that the Order is disparaging her good name. Plus, many potential clients are afraid of getting on the bad side of the Beast Lord, who just happens to be Kate's mate. So

when Atlanta's premier Master of the Dead calls to ask for help with a vampire on the loose, Kate leaps at the chance of some paying work. But it turns out that this is not an isolated incident, and Kate needs to get to the bottom of it—fast, or the city and everyone dear to her may pay the ultimate price...

The Nightmare Stacks - Charles Stross 2016

Accidental vampire Alex Schwartz is busy assessing the cost of renovating a Cold War bunker to be used as the new HQ for Britain's secret counter-occult agency, where he attracts the attentions of a local Goth drama student.

Storm Front - Jim Butcher 2008

Labour in a Single Shot - Schwartz

GRUNDMANN 2021-11-04

The book both extends and reflects upon a large-scale, international art project that has taken the form of an online database and numerous exhibitions (including the Venice Biennale and other important venues). The essays explore the

social, political, and ethical ramifications of documenting global labour with a roving camera that often operates in close proximity to its human subjects. The inclusion of Antje Ehmann's journal entries, translated for the first time into English, will offer a real-time account of the workshops that will complement the scholarly essays' accounts of the videos.

Tailored Deterrence - Barry R. Schneider 2012

Block by Block - William Glenn Robertson 2003
First published by the Combat Studies Institute Press. The resulting anthology begins with a general overview of urban operations from ancient times to the midpoint of the twentieth century. It then details ten specific case studies of U.S., German, and Japanese operations in cities during World War II and ends with more recent Russian attempts to subdue Chechen fighters in Grozny and the Serbian siege of Sarajevo. Operations range across the spectrum

from combat to humanitarian and disaster relief. Each chapter contains a narrative account of a designated operation, identifying and analyzing the lessons that remain relevant today.

Monster of the Week - 2015-01-27

[Jim Butcher's The Dresden Files: Dog Men](#) - Jim Butcher 2018-02-14

New York Times-bestselling author Jim Butcher expands his beloved "Dresden Files" novel series

with the all-new "Dog Men" story set within official continuity, created exclusively as a graphic novel! Harry Dresden is a man on the edge—and that is something that can be dangerous to friend and foe alike. He's been drafted by a senior member of the White Council of Wizards to investigate a series of murders in rural Mississippi. As always, there's more afoot than is immediately apparent. The question is, will Harry's state of mind keep him from seeing it, and will his actions lead him into direct conflict with the wizard who's depending on his help?

Using ICTs and blended learning in transforming technical and vocational education and training - Latchem, Colin
2017-04-17

Building the American Republic, Volume 2 - Harry L. Watson 2018-01-18
"Building the American Republic tells the story of United States with remarkable grace and skill,

its fast moving narrative making the nation's struggles and accomplishments new and compelling. Weaving together stories of a broad range of Americans. Volume 1 starts at sea and ends on the field. Beginning with the earliest Americans and the arrival of strangers on the eastern shore, it then moves through colonial society to the fight for independence and the construction of a federal republic. Vol 2 opens as America struggles to regain its footing, reeling from a presidential assassination and facing massive economic growth, rapid demographic change, and combusive politics.

Side Jobs - Jim Butcher 2011-12-06
With tales ranging from the deadly serious to the absurdly hilarious—including an original story for this volume—Side Jobs is a must-have collection for every devoted Harry Dresden fan. As Chicago's only professional wizard, Harry Dresden has had cases that have pitted him against insane necromancers, power-hungry faerie queens, enigmatic dark wizards, fallen

angels—pretty much a “who’s who” of hell and beyond—with the stakes in each case ranging from a lone human soul to the entire human race. But not every adventure Harry Dresden undertakes is an epic tale of life and death in a world on the edge of annihilation. Here, together for the first time in paperback, are the shorter works of #1 New York Times bestselling author Jim Butcher—a compendium of cases that Harry and his cadre of allies managed to close in record time. “One of the giants of urban fantasy...delivers some great stories in this volume...This is a great collection, featuring a hero who's proven himself over and over again, as well as delving into the odd corners of his fascinating and fantastic world. Highly recommended.”—SFRevu

Bloodline - Will Wight 2021-04-04

The Invisible Library - Genevieve Cogman
2016-06-14

Collecting books can be a dangerous prospect in this fun, time-traveling, fantasy adventure—the first in the Invisible Library series! One thing any Librarian will tell you: the truth is much stranger than fiction... Irene is a professional spy for the mysterious Library, a shadowy organization that collects important works of fiction from all of the different realities. Most recently, she and her enigmatic assistant Kai have been sent to an alternative London. Their mission: Retrieve a particularly dangerous book. The problem: By the time they arrive, it's already been stolen. London's underground factions are prepared to fight to the death to find the tome before Irene and Kai do, a problem compounded

by the fact that this world is chaos-infested—the laws of nature bent to allow supernatural creatures and unpredictable magic to run rampant. To make matters worse, Kai is hiding something—secrets that could be just as volatile as the chaos-filled world itself. Now Irene is caught in a puzzling web of deadly danger, conflicting clues, and sinister secret societies. And failure is not an option—because it isn't just Irene's reputation at stake, it's the nature of reality itself... FEATURING BONUS MATERIAL: including an interview with the author, a legend from the Library, and more!

The Three Clerks Illustrated - Anthony Trollope 2020-08-23

The Three Clerks (1857) is a novel by Anthony Trollope, set in the lower reaches of the Civil Service. It draws on Trollope's own experiences

as a junior clerk in the General Post Office, and has been called the most autobiographical of Trollope's novels.[1] In 1883 Trollope gave it as his opinion that The Three Clerks was a better novel than any of his earlier ones, which included The Warden and Barchester Towers.

Safety of historical stone arch bridges - Dirk Proske 2009-09-18

Historical stone arch bridges are still a major part of the infrastructure in many countries. Although this type of bridge has proven to be an efficient construction type, it often poses the problem of insufficient numerical models of the load bearing behavior. Therefore the book introduces methods to adapt life loads and introduces different types of numerical models of the load resistance respectively. The book continues with the introduction of specific damages and strengthening techniques. The book particularly focuses on the probabilistic safety assessment of historical arch bridges, for which often only limited material and structural

data is available.

Welcome to the Jungle - Jim Butcher 2008
Harry Dresden, the only professional wizard listed in the Chicago phone book, takes on supernatural villains out to turn the world upside down, in an original graphic novel adventure.

Fool Moon - Jim Butcher 2001-01-01
“One of the most enjoyable marriages of the fantasy and mystery genres on the shelves,”(Cinescape) the Dresden Files have become synonymous with action-packed urban fantasy and nonstop fun. *Fool Moon* continues the adventures of Jim Butcher’s most famous—and infamous—reluctant hero... You’d think there’d be a little more action for the only professional wizard listed in the Chicago phone book. But lately, Harry Dresden hasn’t been able to dredge up any kind of work: magical, mundane, or menial. Just when it looks like he can’t afford his next meal, a murder comes along that requires his particular brand of

supernatural expertise. There’s a brutally mutilated corpse, and monstrous animal markings at the scene. Not to mention that the killing took place on the night of a full moon. Harry knows exactly where this case is headed. Take three guesses—and the first two don’t count...
