The Negro Motorist Green Book - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Thinking Fan's Guide to Walt Disney World - Aaron Wallace 2017-01-31

Learn to Slow Down and Savor the World's Boldest Theme Park There's no place like Epcot. It's the theme park that endeavored to change the world. Now, more than 30 years later, Aaron Wallace dives deep into the heart of Epcot. Step beyond the typical rush-here, do-that frenzy of most guidebooks to truly appreciate the park's history, storytelling, and controversies. The Thinking Fan's Guide is a lighthearted but scholarly tour through every Epcot ride and show. You'll learn to unpack big questions like: - Should a Future World attraction ever take place in the past? - Are Frozen's Anna and Elsa holding World Showcase hostage? - Do Disney characters belong in Epcot? - Why does the park spend so much time in Ellen DeGeneres's head? - Has Epcot lost its way? - Did the park really change the world? This is a guide for those ready to immerse themselves in the wondrous achievement of 1982's EPCOT Center and the multi-faceted, modern-day Epcot it has become. Longtime Disney buffs will find new insights and surprising perspectives, while newcomers

will get more out of their vacations by learning to look at Epcot as a work of art. Fall in Love with Epcot for the First Time... or All Over Again.

A Portrait of Walt Disney World - Kevin Kern 2021-09-28

This expansive, must-have coffee table book paints a robust portrait of the Walt Disney World Resort, across half a century, through diverse and vibrant voices and mostly unseen Disney theme park concept art and photographs. Walt Disney's vision for the Florida Project begins with Disneyland and the 1964-1965 New York World's Fair. After an imaginative and expansive design, a unique land acquisition process, and an innovative construction period, the Walt Disney World Resort celebrated its Grand Opening in October 1971. It featured a theme park dubbed the Magic Kingdom and three recreational resorts: Disney's Contemporary Resort, Disney's Polynesian Village, and Disney's Fort Wilderness Resort & Campground. As Walt Disney World consistently grew and further evolved through the five decades that followed, certain themes reverberated: an appreciation for nostalgia, a joy for fantasy, a hunger for discovery, and an unending hope for a better tomorrow. Inspirational and memorable theme parks, water parks, sports arenas, recreational water sports, world-class golf courses, vast shopping villages, and a transportation network unlike any other in the world resulted in fun, festive, and familiar characters, traditions, spectacles, merchandise, and so much more. The resort has come to represent the pulse of American leisure and has served as a backdrop for life's milestones both big and small, public and private. Walt Disney World: A Portrait of the First Half Century serves as a treasure trove for vacationers, students of hospitality, artists, and all Disney collectors. Introducing a different kind of guidebook for a different kind of theme park experience. This is a guide for those ready to immerse themselves in the magnificent achievement that is Walt Disney World's Magic Kingdom. Wallace goes beyond the average guidebook to provide a lighthearted but scholarly look at the history, lore, and literature that inform the designs and storylines of every ride and attraction in the Magic Kingdom.

Behind the Ride - David Mumpower 2019-08

Behind the Pixie Dust Curtain Every Disney attraction comes with a story, and every story involves a few tricks of the trade that only Imagineers know. Here's your chance to peek behind the curtain and learn some of the secrets about thirty of the most popular Disney theme park rides. David Mumpower takes you behind-the-scenes at Disneyland and Walt Disney World to reveal the inner workings of your favorite attractions. He'll explain why Walt Disney chose many of these rides, and he'll describe the challenges that Imagineers faced in doing the impossible by bringing them to life. Mumpower begins with the story of how a Russian monarch's love of sledding indirectly led to the invention of the modern roller coaster. Then, he details the physical and thematic obstacles that Imagineers overcame to build iconic attractions like Pirates of the Caribbean, Space Mountain, and Mr. Toad's Wild Ride. Of course, some of the best Disney rides are more recent. Mumpower also examines the difficulties in developing cutting-edge attractions like Avatar Flight of Passage, Radiator Springs Racers, and Slinky Dog Dash. Mumpower covers opening day rides still in operation today as well as some of the most recent additions to the vaunted Disney theme park lineup. He discusses all of these ride experiences plus the tricks that make them possible—and magical. If you've ever gotten off a Disney ride and wondered how they did it, or if you're the type of fan who'd rather examine an attraction than experience it, or maybe you'd like to be an Imagineer yourself someday, this is the book you've been waiting for.
