transform even the best-laid plans in this heartfelt Christmas novel from the queen of Christmas stories, Debbie Macomber. Trapped in the middle of five siblings, Everly Lancaster always had big dreams. Now a top real-estate executive, Everly finds her work is her life, leaving no space for anything (or anyone) else. Sensing her stress, Everly's boss insists she take December off. At first, a month away seems crazy—how will the company survive without her? But Everly's mother convinces her otherwise. She deserves a vacation—plus, when she returns, she'll have no excuse to skip family Christmas like she did last year. But after her vengeful assistant books a guided cruise in the Amazon instead of the luxury beach vacation she expected, Everly is horrified to realize that she's about to spend the next two weeks trapped—with no Wi-Fi!—in the rain forest. Not even Asher Adams, the ship's charming naturalist, can convince Everly that the trip will be

unforgettable. Slowly but surely, she realizes he is right: the sights are spectacular. And with each passing day, Everly's relationship with Asher deepens, forcing her to take a long, hard look at her priorities. Everly and Asher begin to see magic in the possibility of a life together. But as the cruise nears its end, and Everly's family Christmas approaches, both must decide if love is worth the risk. A merry surprise may be in store in Debbie Macomber's newest holiday delight.

\*\*\*\*\* Molly Baker is living her best life. Thirty-eight years old, she lives on the twenty-five-acre Hope Farm in Buckinghamshire, surrounded by (mostly) four-legged friends and rolling hills. There's Anthony the anti-social sheep, Tina Turner the alpaca with attitude, and the definitely-not-miniature pig, Teacup. Molly runs the farm as an alternative school for kids who haven't thrived in mainstream education. It's full on, but she wouldn't have it

any other way. So when the well-groomed Shelby Dacre turns up at Hope Farm asking to enrol his son Lucas, Molly isn't fazed. But Lucas is distant and soon Molly realises he might be more of a handful than she anticipated. And then there's the added problem that his dad is distractingly handsome. Molly has her beloved farm to think of - could letting Lucas and Shelby in be a terrible mistake, or the start of something wonderful?
